STATE ALLOCATES $5,800,000 FOR HIGHWAYS HERE

Allocation of $5,800,000 in state funds for construction and improvement was made for Alameda County highways for the fiscal year 1949-50, it was announced this week by the State Division of Highways.

Largest single item on the budget is $3,153,000 for freeway construction from 38th street in Oakland to the Oakland city limits, a distance of 3⅓ miles.

FREEWAY CLOSER

Along with this nearer approach to Washington Township of the slowly growing freeway, is the allocation of $236,000 for surface and shoulder work on the highway between Alvarado and San Leandro. The budget also includes $715,000 for purchase of rights-of-way.

The $5,800,000 allocation compares with $4,000,000 being spent on state highways in the county this year.

At a hearing before the State Highway Commission last month, a delegation from Alameda County asked that next year's budget be set at $8,000,000

LARGE INCREASE

The increase of $1,800,000 over the present budget marks a signal gain for the county, although it is less than the amount requested.

Representing Washington Township at the hearing were: Ray Alberts and Joseph Pashote, Newark; Dr. T. C. Wilson, Niles; and L. R. Batman, Centerville.

26 NEW STOP SIGNS PUT UP IN TOWNSHIP

Installation of 26 "Stop" signs on Washington Township roads and streets was completed yesterday by the California State Automobile Association. The association made the installations on instructions from the county.

In Newark, the signs were put up on both sides of Dairy avenue at the intersections with Cherry, Mulberry, Olive, Magnolia and Sycamore. Two were erected at Mayhew Landing Road and Lincoln.

At Alvarado, three signs were put up at the "T" intersection of the Niles-Alvarado Road with Alquire.

Two were installed on Decoto Road where it intersects the Niles-Alvarado Road.

In Niles, signs were put up at El Portal and the Niles-Alvarado Road, at the entrance to the California Nursery, at Hillview and First street, at the intersections of D, E. and F streets with First, and at the north underpass coming into Niles.

REPUBLICAN PARTY HAS OFFICES HERE

Offices of the Republican party are being set up at the Associated Oil station in Centerville, opposite the Ford garage, A. T. Biddle, committeeman, announced this week. There will be someone in attendance all day every day, he said.

MISSION SANITARY PROBLEM AIRED AT SPECIAL MEETING

Approximately 90 Mission San Jose residents attended a meeting Wednesday evening at the Mission School to hear a report on sewer installations in the area, recently annexed to the Irvington Sanitary District.

Members of the district board, Attorney Leon Clark and Engineer Roy Ramseier were present.

WORK STOPS

Principal concern of the Mission San Jose residents was the termination of work on the sewer project, leaving a large part of the town without sewer lines.

It was explained by Attorney Clark and Engineer Ramseier that $40,255 has been spent to date in laying sewer lines for Mission San Jose. The annexed area had bonded itself for $40,000, the legal maximum.

The entire district as now constituted, including the original district and the annexed area, later was bonded for $120,000, the larger part of which sum being raised for construction of a sewer treatment plant as required by law.

COSTS HIGHER

Because of increased construction costs after engineering plans and estimates were made, there is now not enough money to complete the sewering of the Mission area and also to construct the disposal plant. Since the plant must be completed in accordance with law, further expenditures in the Mission for sewer lines had to be terminated, according to the sanitary board and its attorney and engineer.

Attorney Clark explained that under the 1911 State Improvement Act, the estimated $47,000 worth of sewer lines remaining to be completed in the Mission may be financed by agreement of property owners in the Mission to undertake such a program on a district assessment basis.

The board was asked by the property owners present to prepare such a proposal for later consideration.

SERVICES SEPT. 25 FOR MARY VARGAS

Final rites were held Saturday, Sept. 25, at St. Joseph's Church, Mission San Jose, for Mrs. Mary Vargas, wife of Frank Vargas.

The deceased was the mother of Dolores Texeria, Frank Vargas, Jeanette Vargas, all of Warm Springs, and of Bernice Biaggi of San Jose.

She was the sister of Clara Mathews of San Leandro, Helen Rose of Concord, John Enos of Decoto, and Manuel Enos of San Leandro. She was a member of the S.P.R.S.I. of Mission San Jose. Services were conducted by the Chapel of the Palms, Centerville.

DECOTO CHAMBER FAVORS JUNIOR COLLEGE DISTRICT

The Decoto Chamber of Commerce voted endorsement of the proposed junior college district for Alameda County at a special meeting Tuesday in the Firehouse. After opening the meeting, President Kenneth Garcia gave the chairmanship to Principal L. W. Musick, who introduced Mr. Drayton of the County Superintendent of Schools office.

After hearing the case in favor of the district, the Chamber voted its endorsement.

THE DON GASPAR DE PORTOLA Trekkers who will arrive in Mission San Jose next Saturday, Oct. 9. Welcoming ceremonies are set for 6 p.m., according to Edw. L. Rose, chairman of arrangements. On Sunday the party will parade to Mission San Jose for a 9:30 mass. Festivities will be held on both days in commemoration of the historic event.

CONCERT TO BE HELD NEXT MONDAY

Those in the township who hold Community Concert membership cards will be pleased to know that next Monday an outstanding performer, Cleo Elmo, contralto, will appear on the Community Concert series in Pleasanton, at the Amador Union High School auditorium.

Miss Elmo, whose debut at the Metropolitan Opera House was a sensation, has appeared on the radio in the Standard and Telephone Hours.

The first of the township concerts will be held on November 10.

JURY DISAGREES IN ANNOYANCE CASE

A hung jury, which required four and a half hours to decide that it couldn't make up its mind, last Friday tried the case of the People vs. Arthur Miguel in the Niles Justice Court.

Miguel is charged with annoying three small Decoto schoolgirls with lewd language, the offense allegedly having been committed in July.

Closest vote of the jury was 9 for a "guilty" verdict and 3 for "not guilty," reached before the jurors requested lunch and were the county's guests at the International Kitchen. About 4 o'clock they agreed that they couldn't agree, whereupon Judge E. A. Quaresma dismissed them with thanks.

The three little girls, oldest of whom is 12, testified against Miguel. There were no defense witnesses. Defense attorney was Joseph R. Deasy, and the District Attorney's office was represented by Frank Vukota.

Date for a new trial will be set Friday, Oct. 1, in the Niles Justice Court.

OUTLINES DRIVE PLANS

Accepting the position of chairman of the Alviso District for the Community Chest this week was Mrs. George Harvey.

The Community Chest had its first general meeting last night, which was attended by all the town chairmen. Warren Gravestock and Col. E. M. Manning, co-chairmen, outlined the procedure of the drive which will soon be under way. The quota has been set for $7,000.

SWEENEY PLACED ON PROBATION

Jackson Harold Sweeney, former Niles school teacher who changed his plea to guilty on a forgery charge when his case came before Superior Court Judge James Agee in Oakland, Monday was placed on probation for three years, for which period of time the court has suspended sentence.

Sweeney and his attorney, LeRoy Broun of Centerville, had fought the case through the Niles Justice Court, and the guilty plea to two counts of forgery came as a surprise earlier this month.

Now employed in San Francisco, Sweeney admitted that he forged the name of a cousin, Glenn Forrest Sweeney, to teacher's credentials so that he could teach at the Niles school.

He has repaid the Niles Elementary School District the portion of his salary received during the summer months for which services were not rendered.

LOCAL YOUTHS TO ENTERTAIN ALL EAST BAY GROUPS

Preparations to entertain the entire East Bay organization of Pilgrim Fellowship at a rally to be held on November 14, were made at the regular meeting of the Youth Fellowship group of the Niles Congregational Church last Sunday. Dr. Ronald Bridges, president of the Pacific School of Religion, will be the speaker for this unusual event.

The Youth Fellowship celebrated its third election of officers Sunday since its inaugural in June, 1947. The group elected as its new president Don Maynard, a young man from New Hampshire who has been here less than a year. Don has as his college major and major interest the field of horticulture. He has been employed at the California Nursery since his arrival.

Other officers elected are: secretary, Margaret Cole; treasurer, Ellsworth Kerr; and program chairman, Mary Lynn Lamoreux.

At the business meeting of the evening the group made plans for a "Slave Auction" to be held on the evening of the annual dinner of the church to which everyone is invited on October 14. Other plans include a vaudeville show.

Past presidents of the organization are "Butch" Mohn and Ralph Juhl.

MRS. LAUDENSCHLAGER LAID TO REST IN SAN JOSE

Mrs. Margaret Laudenschlager, 69, of Centerville, who died last Saturday at a San Jose hospital, was given final rites Tuesday at the Chapel of the Palms.

A native of Germany, Mrs. Laudenschlager was well known in the township, having lived here for many years. The wife of the late William Laudenschlager, she is survived by a daughter, Mildred, of Centerville, and a son, Frederick (Bill), of Oakland. She is also survived by two grandchildren, Elsbeth and Phil Laudenschlager of Oakland.

Inurnment was at Oak Hill Cemetery in San Jose.

Threat of Gravel Excavation Stirs Interest in Niles Zoning

Another step toward making the town of Niles an island in a wilderness of gravel holes appeared in the making this week. Sub-surface test holes are being dug now on the 57 acres lying between the Ellsworth Tract and Canyon Heights. The work is being done for John Morris of Oakland, a real estate broker, who holds a deposit agreement of purchase with Dr. Charles Camp, who owns title to the property.

Niles was buzzing with gloomy rumors after work started on the test holes Tuesday. Obviously, the ground is being tested for gravel. The work is in charge of Arnold Abrott. No information is available concerning identity of the aggregates interests for whom the prospect is being made.

No legal means of preventing desolation of the beautiful 57 acres of land—ideal for homesites—is presently possible.

Zoning of the area, which was included in the proposed plan for zoning Niles considered here at repeated hearings, could have prevented use of the land for gravel excavation.

But Niles is not zoned, except under the broad general county ordinance which is not effective in this instance. Indifference, together with outright opposition, have thus far forestalled adoption of a zoning plan for Niles.

But now sentiment is changing. Made abruptly aware of the fact that anything in the way of destructive land use is permissible anywhere in the Niles area, for as long as there are no zoning restrictions, opinion appears now to be changing in favor of zoning the community.

Especially fearful that the land being tested will be converted into gravel holes are the residents of Canyon Heights and of the Ellsworth Tract.

For Canyon Heights, gravel operation would mean that sewer connection with the Union Sanitary District might not be possible.

For Ellsworth Tract residents, it might mean that their beautiful winding streets would become thoroughfares for gravel trucks.

Yet, on the word of Supervisor Chester Stanley, nothing can be done to prevent excavation of

ZONING MEETING

A public hearing on the proposed zoning of Niles will be held at the Niles Elementary School Auditorium next Tuesday evening at 8 o'clock, it was announced yesterday by Chairman L. R. Batman of the zoning committee of the Niles Chamber of Commerce, and Chamber Secretary Vernon Ellsworth.

The hearing will continue with the discussion of specific problems of zoning, on which the last meeting was held in the spring.

CENTERVILLE C. C. STUDIES PARKING

Main street parking in Centerville again was the concern of the Centerville Chamber of Commerce, meeting Wednesday noon, when it was decided that effort be made to encourage business men to park off the street to allow more room for cars of shoppers.

The subject was brought up by Charles Wauhab. He pointed out that many Centerville business men leave their cars all day in front of their places of business —or, worse, park in front of another business place.

After voting on the motion of Joe Adams that the Chamber make an effort to improve the parking situation, President Allan Walton appointed Wauhab and Loren Marriott to serve on a committee to warn indiscreet parkers.

DR. BRYAN NAMES LECTURE TOPICS

Dr. Edith Bryan, whose lectures proved so popular last year, will again came to the township by request and give her second series of lectures on parent education.

The lectures will start on October 11 and her topics for the series are as follows: October 11, "Security—What it Means to the Child"; October 18, "Adaptability —the Goal of the Present-day Adolescent"; October 25, "The Present Day Adult Trained to Act Toward a Peaceful World"; November 1, 8, and 15, topics to be chosen by the audience.

The lectures are held at the high school and are open to the public under the adult education program.

PORTUGUESE LANGUAGE TO BE TAUGHT HERE

Those in the community who have wanted to learn the Portuguese language will soon have the opportunity to do so, for on next Tuesday Mrs. Brazil will hold her first class under the adult education program at the high school.

The class will be held from 7 to 9 every Tuesday and Thursday evenings, and is open to everyone free of charge.

HI CHATTER

By MARGARET COLE

Parents are so unreasonable about homework and things. They want you to spend at least two hours ruining your eyesight and disposition analyzing an article by Dorothy Thompson to say nothing of poring over Science and other stuff. They hound you to get your clothes ready for tomorrow and refuse to be concerned because you can't wear that old skirt again, it being too short. They insist that you be in bed by ten o'clock but, illogically enough, expect you to do the dinner dishes and sometimes take care of the younger children. They take a dim view of most of your social activities too, especially if they happen on school nights.

Today, the first game of the season with Jefferson will prove that our football team is the best around these parts. (Knock on wood.) In this connection, remember the kind of talks the coaches and yell leaders give at pep rallies. Did you ever stop to think why your team wins? (Sounds like a silly question, doesn't it?) Sure, you know. Because they have big bruisers like Fred Duffie, Danny Goularte, Jimmy Herring, Les Kious, Don Pine and the rest. Sure, they win because they have teamwork but they need some moral building and the best way to 'build 'em up" is to get out there

BROUN ACCEPTS CHAIRMANSHIP OF RED CROSS

LeRoy Broun, Centerville attorney, agreed to accept the chairmanship for another year of the Washington Township Branch of the Oakland Chapter of the Red Cross at the annual meeting held Tuesday at the St. James Episcopal Church.

John R. Sutton was elected secretary and committee heads were reappointed as follows: Mrs. Marguerite Crane of Niles, Gray Ladies; Mrs. Sophia Quartaroli of Niles, Motor Corps; Mrs. E. A. Ellsworth of Niles, Junior Red Cross; J. R. Truscott of Newark, first aid and disaster; Mrs. Frank Fields of Niles, Nurses' Aides. Mrs. Quartaroli will handle home service calls until a chairman is named.

Mrs. Crane reported that five Gray Ladies had been serving during the past year at Livermore and Oakland Veterans' Hospitals for a total of 474 hours in addition to shopping time. Individual hours served are as follows: Mrs. Gladys Calhoun, 121 hours; Mrs. Mary Fields, 127 hours; Mrs. Nellie Talley, 49 hours; Mrs. Constance Holland, 76 hours; Mrs. Clarence Crane, 101 hours.

The Gray Ladies gave one picnic for Livermore patients, entertained the Camera Club of the hospital at a luncheon, and participated in the opening ceremonies of the National Red Cross convention in San Francisco, among other activities.

Mrs. Sophia Quartaroli reported that the motor corps staff of five women had traveled 4,054 miles, put in 290 hours, performed 227 errands, made two home service calls. Mrs. Ellsworth said the juniors had made favors for hospitals and had packed overseas gift boxes.

FIRE CHIEF WARNS AGAINST STORAGE

The handling and storage without permit of liquids such as gasoline in excess of one gallon in any dwelling, in excess of six gallons in any other building, or in excess of ten gallons outside of any building, is a violation of law in the Newark Fire District, according to a warning issued this week by Fire Chief J. E. Pashote.

A gallon of gasoline when mixed with air in proper proportion, he points out, has the destructive power of about 75 pounds of dynamite.

All portable containers of Class 1 and 2 liquids, he warns, must be painted red and marked: "Dangerous—Keep Lights and Fire Away."

During Fire Prevention Week, October 4 to 9, the Newark Fire Department will distribute pamphlets to school children, showing 60 ways to prevent fires in the home.

FUNERAL RITES PENDING FOR THEODORE ROSE

Funeral services are pending at the Berge Mortuary in Irvington for Theodore Paul Rose, 43, former Irvington resident who died Wednesday from a heart attack. He and his wife have been making their home in Palo Alto.

He is survived by his widow, three sons, by his father, Frank Rose of Irvington, and by the following brothers: Frank, William, and Clarence, all of Irvington, and by Ernest Rose of Newark.

REBEKAHS TO FETE DEPUTY

The Niles Rebekahs will meet in regular session tonight (Friday) at Odd Fellows Hall in Irvington for the official visit of Anna Bradford, district deputy.

KIMBER FARM WINS HONOR IN CONTEST

* * * * * * * * *

CHICKS BRED HERE ARE MOST PROFITABLE

Highest distinction came to the Kimber Poultry Breeding Farm of Niles this month with the announcement that birds bred here won first place in a test conducted at the Pomona Demonstration Plant.

The test was an entirely new method of determining the quality of chicks bred for sale to commercial poultrymen. Instead of participants entering selected adult birds in competition, entries consisted of baby chicks taken at random from chick boxes ready for shipment to customers.

Twenty breeders and hatcheries entered the "random sample poultry test," which was started in March, 1947, and ended this month, covering a full cycle of production. Results of the Kimber Farm entries were:

	Per Chicken
Egg value	$10.06
Meat value	.95
Feed cost	4.14
Pullet cost	1.35
Net income	$5.52

The net income per bird compares with an average net for all entries of $4.12. Each breeder entered 50 pullets and 50 cockerel chicks in competition. The cockerels were marketed after 10 to 13 weeks.

Selection of the chicks was made by the Agricultural Extension Service, and was entirely

Taking advantage of the recreation and pastime offered by the Washington Union High School evening classes are Mrs. Luela Kraft, Mrs. Clare Marshall, Mrs. Shirly Rice and Mrs. Lela Brooks, who are attending the leathercraft class held every Monday night. Mrs. Marshall and Mrs. Kraft also attend the ceramic class on Wednesday night.

IT'S A BOY

Mr. and Mrs. Correa are the happy parents of a boy born Saturday.

P.T.A. MEETING

The Newark P.T.A. met at the Newark Elementary School on Thursday. The plans for the year were discussed. Arrangements were made for a card party to be held October 22. The money will be used for some of the welfare projects. It was with regret that they accepted the resignation of Mrs. Melba Olk as treasurer. Mrs. Sam Scott was elected to replace her. Mrs. Collins was elected new hospitality chairman.

TRUDY JANE ARRIVES

The Vincent Kaehlens welcomed their new daughter, Trudy Jane, born September 28.

LEAVES FOR LONG BEACH

Mrs. Sam Scott is leaving Saturday morning for the state meeting of the School Trustees in Long Beach.

ATTEND DOUBLE HEADER

Mr. and Mrs. Joe Dias, Mr. and Mrs. A. Aroz of Oakland, and Mr. and Mrs. Springer and son attended the double-header in Oakland Sunday. The Oaks and Sacramento played a very exciting game.

DINNER GUESTS

Mr. and Mrs. Grover Taylor, the newly married couple who are making their home, for the time being, at the Cotton Courts, were dinner guests at the Marshalls of 666 Magnolia street.

MARINERS MEET

The Mariners of the Presbyterian Church will hold their meeting Friday, October 1, at 7 p.m. The meeting will begin with dinner. Entertainment will follow, with Mr. and Mrs. Avery Grace and Mr. and Mrs. Jud Taylor in charge. Then the business part of the meeting will end the evening. Hostesses and co-hostesses will be Mr. and Mrs. Bill Brake and Mr. and Mrs. Wesley Hammond.

ENTERTAINS BRIDGE CLUB

Mrs. Sam Scott entertained the "Conversational Bridge Club" on Thursday evening. A number of the members are interested in the coming bridge lessons to be given at the Country Club.

CANYON HEIGHTS

By MARGARET COLE

FROM LOS ANGELES

Visiting at the home of the J. P. McKiernans are Mrs. Froelich and son, Arthur, and his fiancee, Carol Roe, all from Los Angeles. Mrs. Froelich is here for an indefinite stay. Jean Dawson, formerly of Canyon Heights, spent a day with them and made a round of visits to friends.

NEW MEMBER

Mr. and Mrs. Clyde Miller introduce a third member of their family. Clyde Jr. was born Tuesday morning in Decoto. He tipped the scales at seven pounds, two ounces.

NEW JERSEY VISITORS

Mr. and Mrs. George Pekota have relatives from New Jersey staying with them: Mr. Pekota's mother, Pola Pekota; his sister, Mrs. Fresovic and her son Freddie. His sister and her son will stay here permanently but his mother will return to New Jersey in the spring.

EVERYBODY WELCOME

There was a little get-together at the Springer home last Sunday. Kenny Springer was celebrating his fifth birthday and his mother thought that she might get off easily and not have a party, but Kenny thought differently. He extended personal invitation to all the children he happened to be playing with that day to come in and have cake and ice cream.

SURPRISE WEDDING

Ada Musgrove and Arthur Duarte surprised their friends by driving to Reno where they were married, September 25.

Their plans are uncertain as yet since Arthur is in the United States Navy. At present they will make their home with Ada's parents, Mr. and Mrs. C. A. Musgrove of Canyon Heights.

FUN AT THE BARBECUE

Despite its being a rather cold and windy day the barbecue which was arranged by the Canyon Heights Improvement Club was very successful. There were approximately 75 people present, who enjoyed the barbecued beef sandwiches, corn and watermelon. Mrs. M. Matthews, Walter Chrysler and Barney Langley were in charge of this annual get-together of Canyon Heights residents.

"OAKS" PITCHER HERE

Mr. and Mrs. Charles Gassaway and son, Wayne, were guests of Mr. and Mrs. Clifford White on Monday evening. Mr. Gassaway is pitcher for the "Oaks" and you can well understand that Sunday must have been a big day for him, because the Oaks won the Pacific Coast League pennant. Also spending the evening at the Whites were Mr. and Mrs. Crosswhite and son, Billy, of Canyon Heights, and Mr. and Mrs. Otis Howard of Antioch.

YOUR RIGHT TO KNOW

"Your right to know is the key to all your liberties."

Today marks the beginning of National Newspaper Week, and this is the slogan which the free press of America is using to tell its millions of readers of its services in providing information.

It is no coincidence that in those parts of the world where the people are free, the press also is free. Liberty demands the right of freedom of speech. A free press is part of this right.

Sitting here at his typewriter, the editor of The Township Register can write anything he pleases so long as it is within the bounds of decency and does not violate postal regulations. He is the sole judge of what will fill this space this week.

This freedom of the press carries with it an obligation to print information truthfully. And it has become a tradition of American newspapers, in their glorious freedom, not to be content with things as they are but to suggest, to criticize, to constantly reach toward those advances which make life better.

Sometimes newspapers may be wrong in their editorial projections, and that is only human. Sometimes they fight for right causes which turn out to be lost causes; but even then some good may result. And quite often newspapers achieve what they set out to do.

One of the first projects in which the editor became interested four years ago was to improve the street lighting in the township. Undertaken in war-time, this was a difficult job. But it was done, and now every street lamp in Washington Township is of higher candle-power.

The steps which led to adoption by the Alameda County Board of Supervisors of a county zoning ordinance were first taken by this newspaper.

The hazardous crossing at the Western Pacific tracks on Nursery Road and the intersection at the entrance to Niles Canyon were the subjects of many stories and much editorial comment in this newspaper. Signals now protect both places.

The lights on Main Street in Niles for the holidays was another project to which The Register gave much effort. Townspeople were proud of the results last Christmas.

The establishment of a hospital district here required much assistance from the press. This newspaper gave all the help of which it was capable.

And so moves progress. A free people, informed by a free press as they must be, make the decisions in this country. Sound decisions require adequate and truthful information.

It is the obligation of America's newspapers now, during National Newspaper Week, to remind you, as they themselves remember, that "Your right to know is the key to all your liberties."

KIMBER FARM

(Continued from page 1)

at random, necessarily reflected the approximate quality of stock sold commercial poultrymen.

John Kimber, who founded the poultry breeding farm at Niles in 1925, gives credit for the record in this competition to Dr. W. F. Lamoreux, director of research and geneticist. It is under Dr. Lamoreux's direction that hereditary traits of chicks are studied and a breeding program carried on to improve the strain of Kimber Leghorns.

The record established at Pomona is largely the result of his work.

"The random sample poultry test," John Kimber told the Register this week, "proves that scientific study of heredity is necessary to develop superior animals. This is important in all phases of farming. Dr. Lamoreux is the most highly trained man I could find in the field of poultry genetics. He came here from Cornell University, where he was associate professor of poultry husbandry."

Genetics work at the Kimber Farm started in 1926 with the best foundation stock then available. For 22 years an intensive program of selective breeding has been practiced.

The Kimber Farm annually sells well over two million chicks to commercial poultrymen, who produce from this stock ten million dollars gross revenue from eggs and poultry per year. There are 75 year-round employees at the farm.

In addition to the Niles farm, Kimber Farms operate two plants in Atascadero which produces eggs for hatching.

The remarkable record established in the random sample test at Pomona is one which will be noted nationally.

FIREMEN'S DINNER

Ten of the Decoto firemen attended a fireman's dinner at Pleasanton last Thursday evening.

HAPPY BOY

Paul Cardoza, son of Mr. and Mrs. Elvie Cardoza of Railroad avenue, received birthday greetings on Wednesday, Sept. 22, from his young friends who came to his party when he celebrated his 8th birthday. He was a very happy boy, as he received many lovely gifts, among which was a nice new bicycle from mother and daddy that he had been wishing and waiting for. Among those to share birthday cake and ice cream were: Dianna and Paul Merrill, Ann and Clifford Johnson, Patricia and Jo Ann Decker, Phyllis and Donna Mae Fine, Bobby Joseph, Fred and Frank Margarido, Kenneth and Ralph Garcia, all of Decoto. Coming from Niles were: Joseph and Eldon Cardoza. Paul's little one-year-old brother, John, also enjoyed the party. Games were played by the children. Mrs. Cardoza presented all the children with books and other little gifts.

DISCUSSION GROUP

The Decoto Discussion Group will hold its October meeting next Wednesday, October 6, at the home of Leontine Costa. Mrs. Wiswell will be the leader with the book, "Two on a Continent" by Lili Foldes, to be discussed.

FINAL RITES HELD FOR MRS. JOSEPH FURTADO

Mrs. Mamie Furtado, 62, who died in Crescent City, was given final rites last Monday at the Chapel of the Palms in Centerville. Mass was said at the Holy Ghost Church and interment was at the Holy Sepulchre Cemetery.

She was the wife of Joseph S. Furtado of Centerville and the mother of Mrs. Florinda Justus and Lawrence Furtado, both of Crescent City, and Mrs. June Tolley of San Carlos. She was the sister of Joseph Freitas of Santa Clara, Jack and Marion Freitas, both of Ukiah, Mrs. Emma Thormahlen of San Leandro, Frank Freitas of Sacramento and Mrs. Pauline DeMello of Oakland. She is also survived by seven grandchildren.

A native of California, she was a member of the S.P.R.S.I. of Centerville.

California's present vineyard area covers about 500,000 acres, 3.3 per cent of the world acreage.

Thinking Things Over...

By VIVIAN BATMAN

Has anybody read the first article in the October issue of "The Woman"? It's entitled "What's Wrong with the P.T.A." Written by Anna Sommer Lenn, a P.T.A. member of San Francisco, the article is positively explosive. It fairly sizzles! The woman is frank, fearless—and fighting mad at the P.T.A. because she says it has the potential to wield great influence and is using only about one-tenth of that potential. Here are a few quotes from the article just to give you an idea. Remember, SHE wrote it, not I!

"Some of the ladies become so involved in expediency, in ambition and pride of office, that the children, for whom they are supposed to be working, are lost in the shuffle.

"One thing that has bogged down the P.T.A. movement is over-organization. The District and State Congresses are complex, entangled in protocol, rules and regulations. This emphasis on organization machinery makes "politics" almost inevitable. In order to rise to higher offices, women are obliged to play politics, cultivate right cliques, avoid the wrong ones, adopt certain causes, reject others.

"The P.T.A. is afraid to stick its neck out on most issues. Fighting for a cause is considered bad taste. Dignity is the thing. If we can't get what we want for our children, let us sit back and look dignified."

That's all the space we can allot here, but if you want to read more, get the magazine. But don't say I didn't warn you that your blood pressure will probably rise to an alarming degree. But, on the other hand, it's quite possible that you'll agree with the writer! In any case, The Register will welcome your letters, whether in defense of P.T.A. as it is, or whether you, too, think some changes are in order.

IRVINGTON TEAM TAKE SEALS 5-1

Outplaying their opponents all the way, the Irvington Merchants last Sunday afternoon beat the Junior Seals of San Francisco 5 to 1 in a game played before 200 spectators at the Irvington Elementary School diamond.

Pitcher Anthony Dutra allowed 7 hits and struck out 10, while giving only 1 walk. Pitcher Adair of the Seals struck out only 3 Irvington batters and gave 8 hits.

In the fifth, Ted Clayton hit a homer with 2 on, putting Irvington ahead with 5 runs. The Seals' only score came in the seventh.

Next Sunday the Merchants go to San Quentin (as visitors). The cons are a reputedly tough team, in more ways than one.

NILES MERCHANTS NOSED OUT 9 TO 8

The Niles Merchants last Sunday lost a heart-breaker ball game to the Santiago Club of Oakland, coming out on the short end of a 9-8 score. Both teams made 17 hits apiece. There were four errors for Niles and three for Santiago.

Joe Peters pitched the entire game for the locals. Earl Bradley, only 15 years old, did a workmanlike job behind the plate.

Top performers for Niles were: Troy Holderfield, third-baseman, who hit a home run with the bases loaded; Guy Pugmire, left-fielder, who hit 4 for 4; Al Wentworth, who hit 3 for 4; Tommy Pugmire, second-baseman, who hit a single, double and a triple—3 for 5; and Tommy Leadford, shortstop, who hit 3 for 5.

FLYING

Seceral of the local flyers are planning to enter the annual Air Race from Chico to San Mateo on Sunday. The race is a handicap affair; the planes are started at intervals and the ideal condition would be that they all finish at the same time. Something similar to a horse handicap race and the results will be the same—lights will be put on to bring in half the field. The finish is scheduled for 3 p.m.

On October 10, the Alameda County Flying Posse will fly to Quincy for the week-end. A big program is planned up there and the Saturday night event should give that town a new high to shoot at.

Huskies Ready for Opener Against Jefferson Tonight

At 8:15 this evening the butterflies in the stomachs of the Washington Union High varsity will take wing with the kick-off of the '48 season opener. This practice game with Jefferson High of South San Francisco on the home turf of the Washington Huskies will mark the beginning of the second season of interscholastic football.

Coaches Taylor and Voorhees feel they have a potentially good running attack in half-backs Joltin' Joe Sankene and Tiny Durazo. Both should go places in this, their senior, season. It should prove well worth while to keep an eye on these two boys.

NEW FULLBACK

A strong addition to the Huskie backfield at full-back spot is bruising 190-pound, All-Valley guard, Dan Goularte. He is not only a defensive threat but a strong offensive addition as well.

And to complete what will probably be the starting backfield, we have hard-blocking, hard-tackling Les Kious at quarterback spot.

At the flanks will most likely be Snags Orozco, or possibly Don Pine, on the right, with Alex Morris, defensive ace and classy pass-catching standout of the Huskies, at left end.

HEAVY LINE

Now for the linemen, those unsung heroes of the gridiron.

Starting at right tackle will be the first-stringer from last season—230-pound Fred Duffie; at right guard, 230-pound Bernie Day, a transfer, a newcomer from San Francisco, who is strong and fast on defense.

At the center spot will be either Jack Gaunt or (the boy with the southern drawl) Ed Gurley. Both are returning lettermen at that spot.

At left guard is Jim Herring, the light man of the line, but hard-hitting first-stringer from last season.

Last of the probable starting linemen is the rough, hard-charging left tackle and another returning letterman, Bob Lizardo.

This lineup is, of course, as your sports writer sees it and is not by any means official.

But enough bragging, if you wish to call it that.

GOOD ATTACK

The coaches, as usual, were rather pessimistic in regard to the first "full-blast" game scrimmage last Friday. They were greatly disappointed in the blocking and especially the tackling.

On the other hand, the coaches were a little more impressed with the running exhibited by elusive Sankene and the speedy running and catching of Durazo. In the five days following that first scrimmage, this past week, they hoped for improvement. Tonight we shall all find out the result.

130'S TO PLAY

Prior to the varsity game will be held the usual preliminary lightweight game between the Washington High Puppies and the Hayward Frosh-Soph elevens, at 5:45 this afternoon. Coach Hird of the 130's feels he has an all too "green" team, with no returning regulars and but six lettermen from last season.

The six returning lettermen, whom the first string will most likely be built around, are smooth running backs Moga and Yokio Hisahoka, veterans Ruben Guerra and at center R. E. Miller, Mendes, and De La Torre. Other prospects are Hernandez and Robertson at ends, Garcia and the Salvador brothers, one of whom is a letterman.

Remember, tonight we are out to avenge last year's 18 to 13 defeat handed us by the Jeffersonian Indians.

STUDENTS TO HEAR TRUMPET CONCERT

Washington High students will be entertained next Wednesday, Oct. 6, with an hour program presented by Grace Adams East, nationally known trumpeter. Her program, "Travel on the Wings of Music," is sponsored by the student body and no admission fee will be charged.

All but five California counties, Alpine, Mariposa, Plumas, Sierra and Trinity, have a county agricultural commissioner.

SNOW JOKE

There's an old saying that goes "every cloud has a silver lining." It was proved again this past week when a gang of local hunters—suffering through a siege of car trouble, snow-covered highways, and other discomforts — finally cornered a beautiful five-point buck which is now resting in peace in the Niles Food Locker. The bagging of the prize was ample repayment for all the misfortune the men had undergone during their trip to the Mono Lake region. The buck was shot by sharpshooter Rich Davis.

Others who made the trip were Anthony Fields, Jimmy Damas, Clarence Musgrove, all of Niles, and Johnny Agaard of San Jose and Rudolph Silveira of Newark.

DECOTO PLAYS TIE WITH OAKLAND CLUB

The Marlo ball team of Decoto came home last Sunday from Oakland with a tie against the Oakland Monarchs. The score, 13-13, tells the whole story, except that the Decotans got 12 hits against the Monarchs' 11.

The Oakland team led 1-0 until the third, when Henry Serbantes hit a homer with 2 on.

After that the score see-sawed. Going into the ninth, the Oakland team led by one run. The Marlo Packers tied it up. Before the game was started it had been agreed to play only nine innings, so that was the score.

HIGH SCHOOL TO HAVE YELL CONTEST

Washington High has been resounding with voices loud in organized yells and sweet in group singing. All four classes are readying their vocal chords for the Song and Yell Contest to be staged in the auditorium next Friday, Oct. 8.

There will be the competition by each class, with awards to the winners, and a band concert. That afternoon the Washington band will participate in the Hayward Pet Parade and in the evening will play at the Washington-Gilroy game at Gilroy.

STARS OUTPLAY SAN LEANDRO, BUT GAME ENDS IN TIE

The Washington Stars outplayed the San Leandro Redskins last Saturday evening on the Washington High gridiron, but bogged down every time pay dirt was in sight. Result: 0-0 tie.

Early in the game, end Norvell Peixotto took a pass from Alex Bernard and went into the end zone. But the play was called back, with two men offside. That was the only time a goal line was crossed.

San Leandro kicked off and Washington ran two plays and kicked. Deep in their own territory, San Leandro kicked and the Stars ran the ball down to their 2. Then came the pass, Bernard to Peixotto, and the offside penalty. On fourth down, Tony Goularte tried to go through but was blocked.

STARS ON MARCH

Taking over the ball, San Leandro kicked, only to have Weldon Pine, Eldon Mohn and Alex Freitas take the ball right back up the field. Bernard completed a pass to Freitas.

The second quarter was uneventful.

In the third, a pass, Bernard to Mohn, was good for 30 yards; Mohn was run out of bounds on San Leandro's 25. Another pass to Freitas into the end zone was incomplete. Two line plays followed, then San Leandro took over on downs.

The Redskins proceeded to make three first downs, carrying the ball past the midfield stripe, only to lose it after a fourth down ground play.

BOG DOWN

In the fourth quarter the Stars, using Ruben Ramos, Moses Oliveria and Ruben Rodriguez on end runs, worked the ball down to San Leandro's 25.

Taking over again on downs, San Leandro started to make yardage. For the second time in the entire game, they crossed into Washington territory.

With but a minute to go, San Leandro completed a long pass from the 40-yard line to the 2. Bud Marshall moved in fast and made the tackle.

SAN LEANDRO THREATENS

The clock gave time for only one more play. San Leandro shot another pass, over the goal line. Marshall knocked it down.

Coaches Lawrence Pine and Johnny Davis were a little disappointed at not getting a win, since their boys outplayed San Leandro most of the way. They were well satisfied with the work of their team, and cited Barney Bragg, Dick Belding, Ken Calhoun, and Tony Goularte as doing a fine job in the line.

Tomorrow evening, the Stars will play the Pittsburg Alumni on the Washington field at 8 o'clock.

PARTY FOR BALL PLAYERS TOMORROW

Everything is all set, according to the latest report, for the big buffet dinner and dance to be given Saturday night by the Irvington Chamber of Commerce in honor of the local baseball team which has brought distinction to the town by a remarkably successful record this season. The affair wil be held at Maple Hall.

Walter Roethlin is chairman of arrangements. Ball players to be honored are: Mervin Marshall, Stanley Roderick, Theodore Garcia, Eddie Rose, Ralph Chapman, Harold Faria, Philip Faria, Anthony Dutra, Henry Dutra, John Garcia, Clarence Stewart, Anthony Rivers, Anthony Rogers, Clarence Soito, and Frank Mayer, manager.

LARGE CROWD AT P. O. DEDICATION

In the presence of a large crowd of onlookers including several distinguished guests, among whom were Supervisor Chester Stanley and Assemblyman Francis Dunn, the new post office in Irvington was formerly dedicated at ceremonies last Sunday.

The main address was delivered by Dr. Joe Blacow, former Irvington resident and now dean at the Monterey Peninsular College. Dr. Blacow complimented the citizens of Irvington for their progressive spirit.

Edward L. Rose, master of ceremonies, performed the introductions. Among those on the platform were O. N. Hirsch and his son, Allan Hirsch, who erected the building, Vernon Leal, president of the Chamber of Commerce, Postmaster Manuel Joseph, and George Oakes.

Batman, who, having been duly sworn according to law, deposes and says that he is the publisher of The Township Register, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, circulation, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse side of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, L. R. Batman, P. O. Box 218, Niles, Calif.; Editor, same; Managing Editor, same; Business Manager, same.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.) L. R. Batman, Niles, California; Vivian Batman, Niles, California.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds. mortgages, or other securities are: Central Bank, Niles, California.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1,620.

MILLIONTH
Postwar telephone added
How we've put in telephones almost three times as fast as ever before in the West

1. **Here is Ashley Stone** of Sacramento, California, whose daddy and mother got the millionth telephone we've added since V-J Day. To make this gain, we've actually had to install three million telephones . . . for many of our customers have moved their homes and businesses. Telephones we serve are now at an all-time high . . . over 3,630,000.

2. **We've literally built a city** spread over the West . . . hundreds of new buildings and major additions. New wire has been strung . . . new cables laid . . . an astounding total of three million miles. And we're rushing still more construction — half a million dollars worth, every day — to meet the public demand for service.

3. **An amazing amount** of new equipment of all kinds has gone to work. We've filled three times as many orders as were waiting on V-J Day. To add these million telephones, we had to get $400,000,000 of new money from investors. Orders still pour in, and our job is not yet done. But we're working at it mighty hard.

4. **Millions of new working dollars** . . . needed to extend and improve service . . . must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This depends on the sale of our services at fair and adequate prices.

The Pacific Telephone and Telegraph Company
More than 70,000 people working together to furnish ever-better telephone service to the West

Maciel-Escobar Nuptials On October 16

Corpus Christi Church in Niles will be the scene of the wedding on Oct. 16 of Vivien Maciel, daughter of Mr. and Mrs. Joseph Maciel of Niles, and David Escobar, son of Mr. and Mrs. Antone Escobar of Mission San Jose.

The bride-elect has chosen as her attendants Mrs. Anna Mae Campagna, the groom's sister, for her matron-of-honor, and Mrs. Agnes Gomes as the other attendant. The ring bearer will be Diane Gomes.

Virgil Campagna will be the best man and Leroy Gomes will perform the ushering duties.

Both young people are graduates of Washington High. Mr. Escobar is engaged in farming in Mission San Jose and his bride-to-be is presently employed at Kimber's.

Birthday Party

Tom Champion of Niles was given a surprise birthday party on September 17, by his wife at their home in Niles. The birthday cake was followed by a pleasant evening of conversation and games. Those present were Mrs. Jennie Ralph, Mr. Hecker, Mr. and Mrs. Donald Chapman of San Leandro and Mrs. Virginia Champion.

Return Home From Nebraska

Mr. and Mrs. Paul Offel of Niles returned home last Saturday after a three weeks' motor trip to Lincoln, Nebraska, where they visited relatives. Returning with them was her mother, Mrs. T. C. Jeffery, who will be a guest at their home for the next three or four weeks.

The Offels said they had a wonderful trip, with the weather, with the exception of a little rain, "just grand." They went the northern route and came back the southern route, stopping off at Pampa, Texas, to visit a cousin.

Home Are the Hunters

Returned from a successful hunting trip to Tuolumne County are Michael Overacker of Mission San Jose, Mr. and Mrs. Howard Overacker, also of the Mission, and Mr. and Mrs. Glen Jones of San Jose. The party bagged two bucks.

Returns to State

Robert Miller, son of Mr. and Mrs. Leonard Miller of Centerville, has returned to his studies at San Jose State College, where he is a sophomore this year. During the summer, the young man worked for the Jas. Graham Manufacturing Company at Newark.

Canada Woman Feted On Departure

Mrs. Gertrude Collier was hostess at a large open-house party last Tuesday evening at Collier's Highway Inn in honor of her daughter, Mrs. Ivy Gaskell, who is leaving for her home in Canada after a seven-months visit here.

A large crowd, numbering 50 or 60, came to say good-bye to the young woman who has made many friends here. Festivities lasted until two o'clock, with refreshments served at midnight.

Mrs. Collier, sick on the day of the party, managed to get up for the event, but since has returned to bed. Her friends, who had such a good time at the party, are wishing her a speedy recovery.

Shower Will Honor Irvington Woman

Mrs. Henry Lauverge of Irvington will be the honored guest at a luncheon and shower this Saturday, to be given by Mrs. Walter Connolly at her home in Irvington. Those invited are Mrs. Lauverge's grandmother, Mrs. E. M. Leich, who is visiting here from England, Mrs. E. H. Hirsch, Mrs. Joe Correia, Mrs. John Perry, Miss Helen Correia, Mrs. Alice Murphy of San Francisco, and Mmes. Tony Alonzo, Walter Rothlein, L. W. Krueger, Dolly D'Amico, Hugh Henry, all of Irvington; Mrs. Delmar Stotts of Mission San Jose, Mrs. Merrill and Miss Lillian Piurelli of Irvington.

First Grandchild For Niles Couple

Mr. and Mrs. Virgil Young of Niles motored up to Stockton last Sunday for one of life's greatest experiences — seeing their first grandchild for the first time. The baby, a girl, was born on September 21 to Mr. and Mrs. Virgil (Speed) Young in Stockton. She weighed 7 pounds 9 ounces. Her mother is the former Corinne Garibaldi.

Visitors from New York City

Mr. and Mrs. George Roderick hosted a dinner party Wednesday night in honor of Mrs. Roderick's niece, Mrs. Robert Wilcox, who is visiting here from New York City.

The other guests at the dinner were Mrs. Roderick's mother, Mrs. Rose Ferrier of Berkeley, and her sister and husband, Mr. and Mrs. Joseph Cardoza of Oakland.

At St. Mary's Game

Last Sunday Mr. and Mrs. John A. Furtado of Irvington had a most enjoyable day attending the St. Mary's and the University of San Francisco football game. They concluded the day by later going to a show.

LOCALITES ATTEND SON'S WEDDING PERFORMED FRIDAY AT SAN MARINO

Arriving home from Hawaii just in time to attend his son's wedding, Mr. W. M. James of Irvington surprised all of the members of the wedding entourage with lovely corsages of exotic orchids of different varieties and sizes which had been given to him to bring home by friends in Honolulu, especially for the happy occasion.

With her husband's return to Irvington, Mrs. James, popular township matron and president of the Washington High School P.T.A., prepared for their trip to Santa Barbara the following day, with their daughter, Barbara, and son, Richard. The scene of the wedding of their older son, Robert Putnam James, and Miss Elizabeth Kolterman, daughter of Mr. and Mrs. E. W. Kolterman, was the Kolterman home in San Marino. The rites were performed by the Rev. Charles L. Knight at an evening ceremony last Friday.

The bride's gown of silver satin was enhanced by her beautiful bouquet of white cattleya orchids. The dress was made with softly draped bodice and skirt and with it she wore an off-the-face hat of pink feathers.

Attending the bride was Miss Dorothy E. Oliver of South Pasadena, who wore navy blue crepe with pink hat and matching accessories. She carried a bouquet of pale lavendar orchids. Of darker lavendar were the orchid corsages worn by the mothers of the bride and groom. Mrs. James wore a navy blue ensemble, and Mrs. Kolterman was gowned in paler blue.

Richard James, brother of the bridegroom, served as best man.

White chrysanthemums formed an altar in the living room in front of which the young people pledged their troth.

After the minister pronounced the benediction, the couple received about 100 guests. They then left for a honeymoon at Balboa.

Young Mrs. James is a graduate of South Pasadena-San Marino High School and of Pasadena City College, where she was affiliated with Sorelle. Mr. James is an alumnus of Ojai High School and Cal-Aero Technical Institute of Aeronautics. He spent three years with the Army Air Force in Europe.

Attend Football Game at Stockton

Mr. and Mrs. Henry Vervais attended the San Luis Obispo-College of Pacific football game in Stockton last Saturday. The game was a disappointment to Henry, whose alma mater (San Luis) was defeated. But they enjoyed the day anyhow, as they were in the company of two former college classmates of Henry's, and their wives.

Double Celebration

Mr. and Mrs. Edw. L. Rose and Mr. and Mrs. Julius Hendricks of Irvington celebrated their wedding anniversaries Saturday, Oct. 26, at the Club Flamingo in San Jose. It was the 26th anniversary for the Roses, the first for the Hendricks. Mrs. Hendricks is the former Marie Williams.

To Attend Banquet

Grand Knight and Mrs. George Kommes of Centerville and Mr. and Mrs. Walter Connolly of Irvington will attend a testimonial banquet honoring State Deputy John B. Growdon of Fresno at the Claremont Hotel in Berkeley on Sunday, Oct. 3.

Busy Sunday

Mr. and Mrs. Walter Connolly of Irvington motored over to Walnut Creek last Sunday to attend the 50th wedding anniversary reception for Mr. and Mrs. Frank Duarte. Later in the day they drove their eldest son, John, back to Bellarmine School in San Jose where he is enrolled as a freshman. He had been spending the weekend with his parents.

Niles Couple Wed Saturday at Reno

The court house in Reno was the setting for the last Saturday nuptials of Ada Musgrove, daughter of Mr. and Mrs. Clarence Musgrove of Niles, and Arthur J. Duarte Jr., son of Mr. and Mrs. Arthur J. Duarte of Old Canyon Road, Niles.

The couple had as their attendants Miss Jean Oliveira and Bruce Nickel, both of Niles.

The bride is a graduate of Washington High. Her husband, who also attended Washington, is with the Navy, stationed at the Navy Airport in Oakland. The newlyweds will make their temporary home with her parents.

At Stanford

Sally Mayock, daughter of Mrs. Ann Mayock of "Los Amigos" in Irvington, is enrolled as a graduate student at Stanford and is living at Lagunita Court on the campus. She was graduated from Mills College last June.

Attend Concert

Motoring down to Hayward in a group Wednesday evening to attend the Community Concert performance given by Nadine Conner were Mrs. G. Ting and granddaughter, Marilyn Whitaker, Mrs. Ray Jolliff, Mrs. John Casey, Mrs. Clarence Crane and her mother, Mrs. William Sylvia.

Week-Enders

Week-end guests of Mr. and Mrs. Ramon Barnum of Niles were Miss Hilma Jameson and John Jameson, both of Oakland. Miss Jameson is owner of a millinery school in Oakland.

FRANCIS DUNN TO SPEAK AT COUNTRY CLUB MEETING

An outstanding program has been lined up for the first regular business meeting of the Country Club next Tuesday afternoon at the club house in Centerville.

The program will comprise, in addition to some very fine music, a talk by our own state assemblyman, Francis Dunn. Mr. Dunn will speak on the amendments.

Mrs. Florence Cote Lesoine of San Francisco, a sister-in-law of club member Mrs. M. B. Marks of Irvington, will sing several numbers, accompanied on the piano by Mrs. Dwight Thornburg. Mrs. Lesoine, before the war, did radio work in Montreal, and also entertained the boys during the war by singing. Her program will consist of the following: "The Seguidilla," "Madrigal Espanol," "I Heard a Forest Praying," and "Do You Remember?"

Mrs. Jack MacGregor is music chairman, and Mrs. F. A. Muller, program chairman. The business meeting will start at two, and the program at three.

NEW ARRIVALS

Mr. and Mrs. Anthony R. Cardoza, Box 459, Niles, a son, David, weighing 6 pounds 7 ounces, born September 22 at Hayward Hospital.

Mr. and Mrs. Joseph P. Maria, Box 501, Centerville, a daughter, Barbara Dawn, 9 pounds 1 ounce, born September 24 at Hayward Hospital.

Mr. and Mrs. Herbert E. Sparks, Box 232, Decoto, a son, Dana Scott, 10 pounds 12 ounces, born September 20 at Hayward Hospital.

Mrs. Tom Champion Is Honor Guest

Mrs. Tom Champion of Niles was the guest of honor at a baby shower given for her recently by Mrs. Avis Alberg Chapman at the home of Mrs. Jack Alberg in Niles. The decorations were carried out in the traditional pink and blue, in candles and flower arrangements. Mrs. Champion was especially thrilled because "each gift was different. Not a single duplication."

Those present were: Mrs. Dorothy Gronley, Mrs. Tom Elliott, Miss Lucy Welton, Mrs. Martha Barker, Mrs. Jerry Rebello, Miss Betty Silva, Mrs. Jack Alberg, Mrs. Margaret Nelson and Mrs. Virginia Champion.

gravel from the land. Niles is not zoned.

Regarded as a threatening stark tragedy, many Niles property owners are determined that zoning be delayed no further. They insist that whatever contentions exist regarding zoning be ironed out and that the Board of Supervisors be asked at an early date to adopt an ordinance zoning Niles, to prevent the community from becoming an island in a wilderness of gravel holes.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

Lois Bottenberg

WEEK-END HERE

Miss Edna Mae Cross and her little sister, Myrna, spent the week-end here at the home of their grandmother, Mrs. Elsie Wilcox. On Saturday evening the rest of the family, her mother, dad and David Lee came up for dinner.

IN LOS ANGELES

Mr. and Mrs. Clarence Telles spent a week in Los Angeles vacationing lately. While there they spent some time in Long Beach where they stopped over to see a couple of Clarence's former buddies, Bud Ernst, and Tony Martignetti who is married now and has a lovely wife and beautiful home.

GREAT-GRANDMOTHER AGAIN

Grandmother May Callahan received word the other day that she is again a great-grandmother, for Mr. and Mrs. Joseph Rose's daughter, Mrs. Jimmie Norris of San Francisco, presented the gang with a 7 pound 12 ounce baby boy, Jimmie Jr., on September 21. This makes the second little one, sister Beverly Ann being half past two. So Great Uncle Leslie feels pretty big.

DOUBLE FUNERAL

Many of the oldsters will remember these two old folks and feel their loss for on September 18 at Arroyo Grande, Mr. Manuel Silva passed away, his wife, Gertrude, aged 68, being in a coma in the San Luis Hospital at the time, following him in death on September 20. They were buried at a double funeral ceremony in San Luis Cemetery.

Mrs. Gertrude Silva was born in the Azores on May 3, 1880, and came to the Mission and made her home for 33 years. They resided in a small house which is gone now, but at that time it stood between what is now McIvor's and Mrs. Rose Rogers. She was a life long friend of Mrs. Rose Rogers who was with the family at the time of the two deaths.

They leave a daughter, Miss Mary Silva of Hayward, four sons, Joe L. and John L. of Arroyo Grande, Tony of San Leandro, and Manuel Jr. in the east. There were nine grandchildren and many nieces and nephews.

WEDDING BELLS

The announcement for the wedding of Miss Vivien Maciel of Niles and David Escobar of the Mission, son of Mr. and Mrs. Tony Escobar, are in the hands of the guests. They will be married in Niles on Saturday, October 16, at the Corpus Christi Church. She is the daughter of Mr. and Mrs. Joseph Maciel of Niles.

IMPROVING

Mr. William Lawrence is improving now at his home here following several weeks of lobar pneumonia. Rest and quiet and sunshine will make everything okeh.

STORK VISIT

Papa stork again passed through the Mission on Saturday, September 25, bringing to Mr. and Mrs. Tony Souza an eight pound boy named Jeffrey. He has two other brothers. Mama was the former Sally Reis.

LUCKY HUNTING

Mr. and Mrs. Chet Holtz and their pals returned from a two weeks' hunting jaunt into the rugged country around Yreka this last week with three nice deer to their credit. Mr. got one, Mrs. got one, and their friend was the other lucky guy who bagged his too. They reported very cold weather and plenty of snow but had a swell trip just the same.

NOT SO LUCKY

But not so lucky were Mr. and Mrs. Cyrus Solon, Charles Boggini and their party, for they had gone to their usual haunts and fishing grounds on the Klamath River and didn't get a fish. Always before they had brought back the limit, canned and ready for winter use. This is the first time in five years that they missed. There just weren't any to be had this year. Must be going to be a lean winter this year, so the old folks say.

BRIGHT SAYING!

Talk about cute things coming out of the mouths of babes (and I don't mean big grown up pretty babes). Diane, aged four, was chomping away on a hunk of bubble gum and her mommie asked why she was chewing with such vigor, and she replied very seriously, "I'm chewing with my teeth, not my figger."

GET YOUR OWN!

Some more nonsense. Kitty Joe raised Snowball, another male cat from a "dropped-off-in-a-backyard" baby to a grown cat and always caught mice for Snowball and he expected them, but now Joe catches mice, calls very loudly for Snowball, and then deliberately sits down and devours them himself, after Snowball comes a running' to get his share.

this evening and root for them.

With the Song and Yell Contest only a week away, all classes are yelling like mad. (This yelling is under supervision, of course.) Not five minutes after we, the Sophomore Class, were dismissed from our first practice, two Seniors were heard to remark, "Your optional yell sure is good but we have a better one." Someone sure was anxious to blab. Not that it makes much difference one way or another. It's just the principle of the thing.

Seventh period gym is usually eventful in one way or another and there is one incident that recurs day after day. There is one particular girl who, every day, takes up a position with a good view of the football squad. Anyone within hearing distance will be addressed as follows: "See Number Fifteen out there; the tall blond fellow? He's my brother! No, he's only a Freshman, but everyone thinks he's a Senior. Isn't he handsome?" Don't doubt my word but amble out to the gym around seventh period and see for yourself and never let it be said that he isn't handsome.

You kids certainly keep mum about the amusing things that simply must be happening in class. How about sharing them with the rest of the world? There's no better place to put them than this column.

The Science classes are usually interesting. As a matter of fact just the other day a black widow spider was asphyxiated. (Stumbled on that tongue-twister while browsing through the dictionary and just had to use t some way.) This poor spider was the main attraction in the science classes for one day. He (or should it be "she") was alive and kicking up the fourth period when he became rather dopey. By fifth period he had "dropped dead." Everyone wondered what had happened until some cold-blooded character admitted he had turned on the gas jets and—.

CHILD RECOVERING

Little Janice Gurch, 3-year-old granddaughter of Louis Pogetto of Niles, is recovering nicely after suffering a broken collar bone when struck by a car in San Jose two weeks ago. The youngster is the daughter of Mr. and Mrs. N. Gurch of San Jose. The mother is the former Filma Pogetto.
